Ah, it's Hong
Hua daesn't let us tell you
Ah?
Hey, that doesn't seem to be Ling
!!
Hehe.
So that's how it is? What an obvious action
Comrade Hong the Study Commissioner

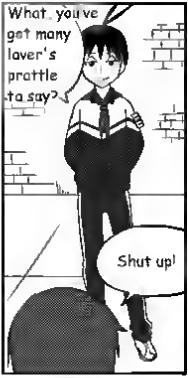
Let's go, old leader
Ah, this is too ceremonious, I even sweat
Phew.. thank god..
It feels strange
Whot's Hong doing
The hell? Where did Ling go
Your Majesty!
Are you really trying to tell out in such an occosion!
You might get expelled after the ossessment group leaves!
Hong, you have no ideo whot a good chance you've wasted!

What chance? You call such a suicidal action chance?
.....
So what if I'm expelled? As long as our country
What, what are you talking
A Class 5-3 without you
I don't want a 5-3 like that at all!
It's not something that a Queen should say
Hong...

Sigh what a good relationship How I envy you

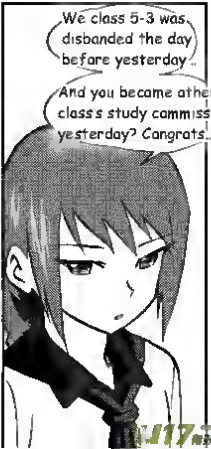
Now study commissioner of our Class 5-4— Comrade Hong you finished your mission perfectly You may go back to class with me

What ?
Study commissioner? Mission?
You



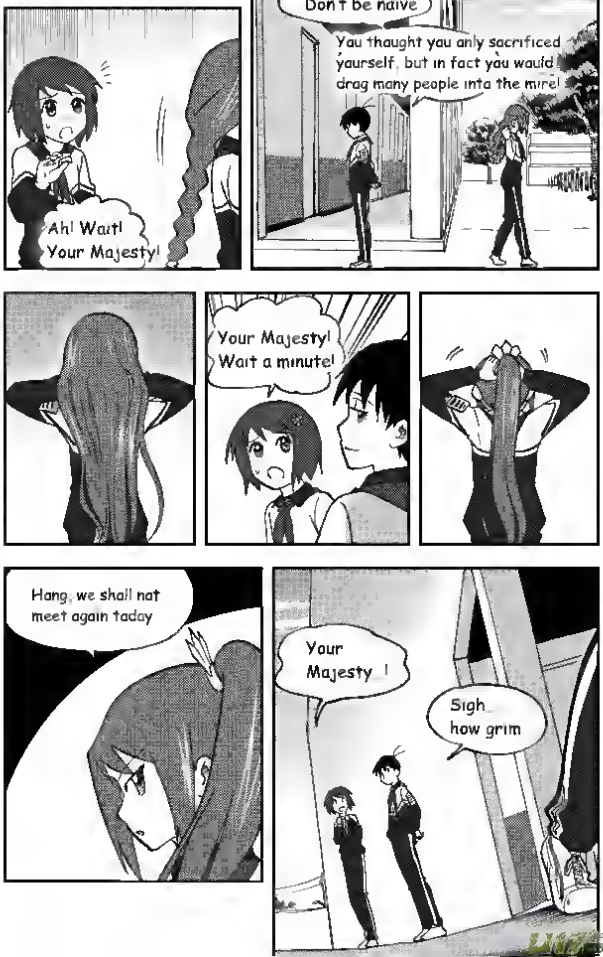
What you've got many lover's prattle to say?
Shut up!

I just yesterday, I agreed to be their study commissioner

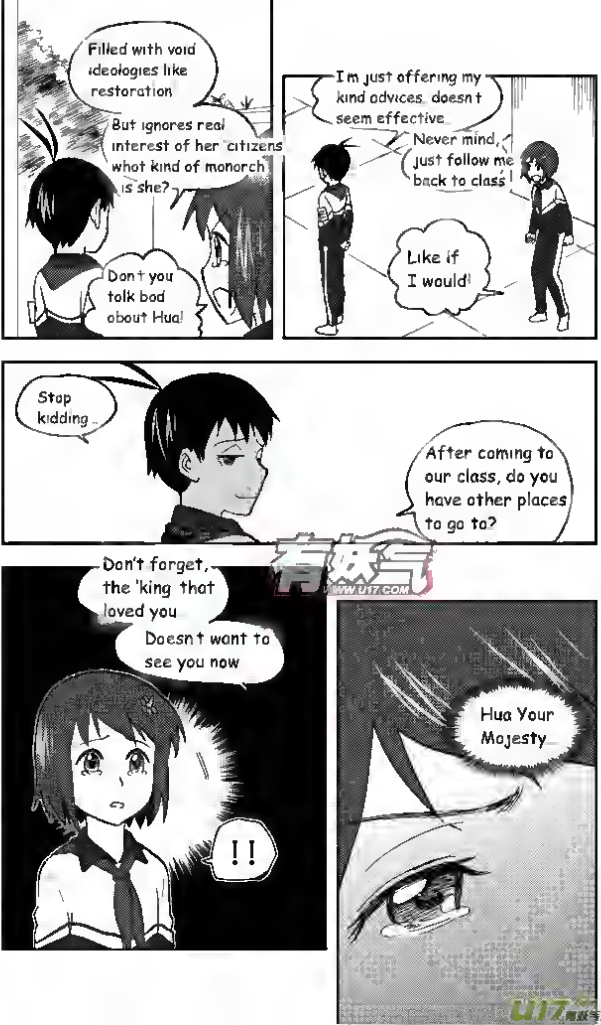


We class 5-3 was disbanded the day before yesterday
And you became other class's study commissioner yesterday? Congrats.

Yeah, it's not as simple as you thought, Comrade President of former Class 5-3
Your Majesty! It's not what you think! I didn't have time to talk to you because time's limited
Actually I discussed with my class teacher if we have nomin ations for Municipal Outstanding Student next time, we would like to recommend Hong
You know our school
What, what're you talking about, I never
It's much easier to go to good secondary schools in other school districts with titles like Municipal Outstanding Students, right?
But our class may grab one or two chances—only our class
If you provoked the provincial education committee, would the municipal education committee forgive our school?
We won't get any nomination at all in that case.
Aren't you destroying the future of your Queen?
Shut.. up..

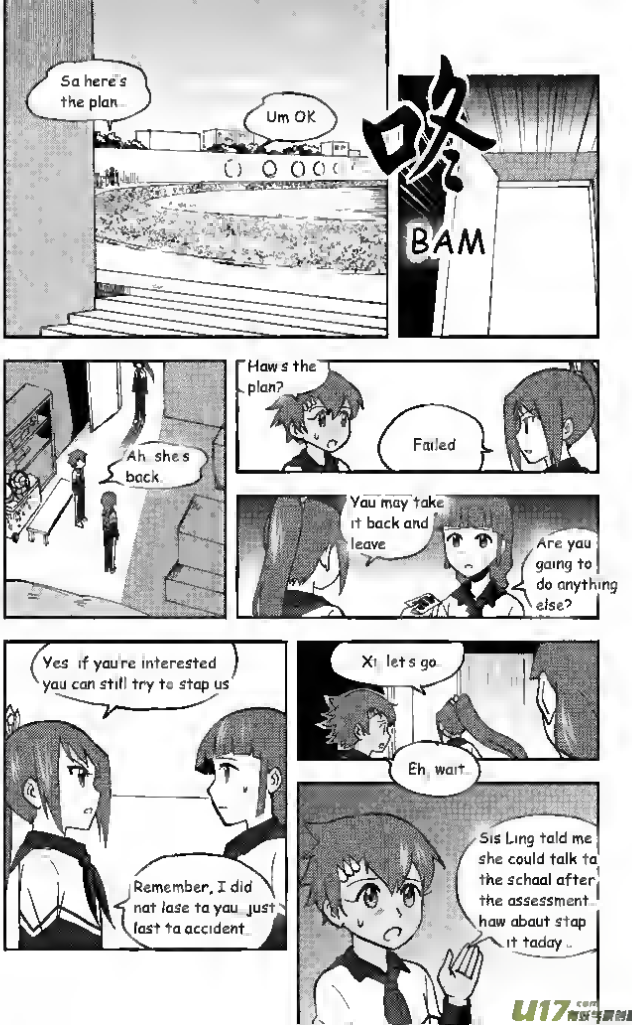


Ah! Wait! Your Majesty!
Camrade Hua! Don't be naive
You thaught you only sacrificed yourself, but in fact you would drag many people into the mire!
Your Majesty! Wait a minute!
Hang, we shall not meet again today
Your Majesty !
Sigh... how grim



Filled with void ideologies like restoration
But ignores real interest of her citizens what kind of monarch is she?
Don't you tolk bad about Hua!
I'm just offering my kind advices, doesn't seem effective
Never mind, just follow me back to class!
Like if I would!
Stop kidding
After coming to our class, do you have other places to go to?
Don't forget, the 'king' that loved you
Doesn't want to see you now
!!
Hua Your Majesty

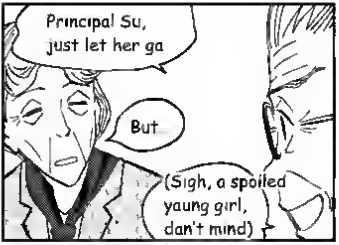
Bastard!
マイ
Crack
I didn't expect Hong to be bribed by prez of Class 4
Your Majesty
Sorry only Hong I can do nothing about her, we lost such a good chance
Don't mind it, Your Majesty we still have my backup plan.
However we mustn't be passive again
Indeed, it feels too uncomfortable
The key point is I must throw the bomb down the rooftop during art performance
But Ying is watching me closely now, I can only come here when she is in the toilet
Tsk, that paper fortune teller twintail beanbag mole in the middle canine teeth girl is really nasty
What troubles the Valiant Eight and me is the Five Rats
However I can utilise that to attract their attention so Ming can have less trouble
Your Majesty I can try to get rid of Ying, but you will be under tight control from now on
Yeah, very likely



So here's the plan...
Um OK
BAM
Ah, she's back.
How's the plan?
Failed
You may take it back and leave
Are you going to do anything else?
Yes, if you're interested you can still try to stop us
Remember, I did not lose to you, just lost to accident.
Xi, let's go.
Eh, wait...
Sis Ling told me she could talk to the school after the assessment, how about stop it today...

Stop trying to stoll me, also
You moy side with Ling from now on Wild Lad, after all you spent a longer time with her
Hua
I just want to give consideration to more people
I'm not as great as you
I just want our justice back Nothing else
Sis Ling, now what
Xi
Quit this conflict You're not suitoble for it
Huh?!
踏 踏 踏 Step x3
.....

Alas, this school is getting better and better Principal Su
We're flattered
Ah! Annoying! I want to have a fight!
Yeah, although there is great progress, you're still last in the ranking, what's your qualitative change?
Xinxin! How could you say that!
Hehe, not at all, that young woman told the truth
To be honest, sometime we're just incapable of doing what we want
Please come in, it's a somewhat crude meeting room
Haha, it's not bad
What, another endless long meeting? Annoying
Xinxin!
Old leader! How about you're here for the meeting and I go out playing, isn't it nice
Sigh



Principal Su, just let her ga
But
(Sigh, a spoiled yaung girl, dan't mind)

I'll be back at lunch! It will be at a grand hatel right? I want same lacal cuisine. Chinese yam?

The capper stick Chinese yam is indeed the speciality here

Xinxin

Eh, da we need to send someone faliawing her?

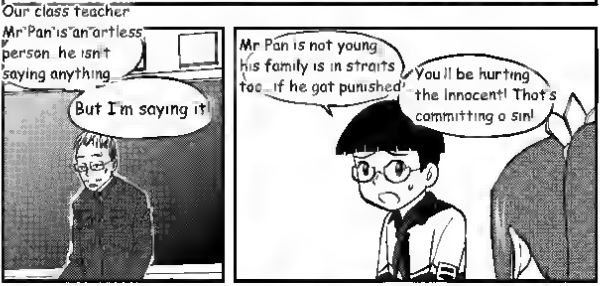
Class 5-3
WWW.U17.COM
Eh
No, nothing, just sit back for class
Do you have any problems?
Wait! Come out!

Principal sent a message just then
asking us to watch you closely and make sure you don't mess up again!
That even includes a warning saying if you made any trouble from our class
it's not only you, we'll all be punished as well!



Our class teacher Mr Pan is an artless person, he isn't saying anything
But I'm saying it!
Mr Pan is not young his family is in straits too, if he got punished
You'll be hurting the innocent! That's committing a sin!

To be continued.
